**Office Memorandum**

**Subject: Revised Comprehensive Guidelines for conducting competitive written public examinations (linked to employment or admission to professional or technical courses) for Persons with Disabilities under the Rights of Persons with Disabilities Act, 2016, incorporating the Hon'ble Supreme Court Directives in the matter**

**Introduction:**

These revised Comprehensive Guidelines on the subject are being issued in supersession of all existing instructions on the subject i.e DEPwD's OM No. 29-6/2019-DD-III dated 10.08.2022 and DEPwD's OM No. 34-02/2015-DD-III dated 29.08.2018 with a corrigendum issued in the matter vide OM No. 34-02/2015-DD-III dated 08.02.2019 and, in so far as it is concerned with the competitive written public examinations (linked to employment or admission to professional or technical courses), to bring them in line with the provisions of the RPwD Act, 2016; the Public Examination (Prevention of Unfair Means) Act, 2024; rules made under these legislations, and the directions of the Hon'ble Supreme Court in their Orders dated 11.02.2021, 23.11.2021 and 03.02.2025 in *Vikas Kumar Vs. UPSC*, *Avni Prakash Vs. National Testing Agency* and *Gulshan Kumar Vs IBPS and Ors.* respectively.

**Applicability of the Guidelines:**

2. These guidelines will apply **only to the competitive exams leading to jobs and admission to professional courses and NOT to the regular school (board)/ college/ university academic exams** for which the earlier guidelines i.e. DEPwD's OM No. 29-6/2019-DD-III dated 10.08.2022 and DEPwD's OM No. 34-02/2015-DD-III dated 29.08.2018 with a corrigendum issued in the matter vide OM No. 34-02/2015-DD-III dated 08.02.2019 and, will continue to be valid till further orders.

3. These Guidelines apply to all individuals defined as Persons with Disabilities under Section 2(s) of the Rights of Persons with Disabilities (RPwD) Act, 2016. However, the facility of assistance (i.e. technological aid like software enabled laptop/desktop, reader, lab assistant or scribe, as prescribed in the subsequent paragraphs) during written exam may be provided to all such candidates who, due to their disability,

face functional limitations in writing an examination, irrespective of the nature or extent of their disability. This includes, but is not limited to, individuals with physical limitations in writing, visual impairments preventing reading or writing, intellectual disabilities affecting comprehension or expression, or any other disability that impedes their ability to participate effectively in the examination process, as certified by a competent authority, as specified in the following guidelines.

4. Rule 5 of Public Examinations (Prevention of Unfair Means) Rules, 2024 provides that the National Recruitment Agency, on behalf of the Central Government, shall in consultation with the stakeholders, prepare norms, standards and guidelines for **the computer-based test mode** of examination, which shall be notified by the Central Government that will inter alia include guidelines for providing scribes.

*[Note: Public Examinations (Prevention of Unfair Means) Rules, 2024 mentions that the computer-based test includes activities, such as registration of candidates, allocation of centres, issue of admit cards, opening and distribution of question papers at public examination centres, evaluation, and final recommendations. National Testing Agency specifies that a CBT requires candidates to sit in front of a computer terminal (node) allocated to them against their Roll number and Admit card.]*

#### **Facilities to be provided for Persons with Disabilities in written examinations:**

5. **Choice of Mode of Examination, aids and assistive devices and use of technology:**

**A. Independent Mode of Writing the Examination:**

- i. The Examining Bodies shall encourage candidates to take the examination **independently**, with the assistance of technology such as software-enabled laptops, desktops, Braille/ large print, or by recording their answers. The examining bodies, to that extent, shall make corresponding technological paraphernalia (i.e., software-enabled laptops/desktops, Braille/ large print, or recording devices) available in sufficient numbers with comprehensive coverage for Indian Languages and English.
- ii. Where job and academic requirements necessitate that employees or students work independently with computers, the examining bodies will offer the option to PwD candidates to take the exam on a laptop or desktop, enabling them to write the exam **independently without the assistance** of a scribe. Examining Bodies are expected, in general, to decrease the need for scribes gradually and enable candidates to participate in the examination, demonstrating and realizing their full potential and capacity, with reasonable accommodations on a case-by-case basis. Assistance has been prescribed in the paragraph 5.B for different types of public exams, depending on the nature of academic/ job requirements, and also

taking into account the broader and long-term interests of Persons with Disabilities, as discussed in the subsequent paragraphs.

*[Note: Technology interventions like JAWS (Job Access with Speech)/ NVDA(Non visual Desktop Access), ORCA, large prints, tactile graphics, magnification software etc for blind/ low vision candidates; voice recognition software/ head-mouse etc for locomotor disabilities; text-to-speech or vice versa software for persons having difficulty in reading like dyslexia etc., LaTeX+TeX / Math ML content add-on/software may be explored as reasonable accommodation; The software mentioned herein are illustrative and not exhaustive].*

iii. Significant inputs have been received from responsible bodies like UPSC, DoPT, NRA, etc., expressing concern over the credibility and transparency of the exams being undertaken by the PwDs by using a scribe, in general. In particular, the provision of 'Own Scribe' has been identified as a significant vulnerability in maintaining the integrity and fairness of the examination process. Instances of malpractice, including collusion between candidates and their privately arranged scribes, have been observed by various Examining Bodies, where scribes wrote answers independently without adequate dictation, thereby undermining the examination's credibility.

Such actions not only violate the principles of a level playing field but also put at a disadvantage the candidates who take the exams on their own by using technology or rely on the examining bodies' vetted scribes. Furthermore, given the evolving specialized requirements in technical/ professional domain-specific fields, both in academia and in jobs, independent functioning is essential after the placement of the selected candidate into a specific job or an advanced academic course.

Therefore, in all such cases, where independent work capability is a critical job/ academic requirement, the examination's confidentiality, integrity, and equity in terms of Public Examination (Prevention of Unfair Means) Act, 2024 and rules made thereunder needs to be upheld while making the performance in the exams relatable to the output in the jobs/ rigorous professional courses. Hence, emphasis will be placed on having candidates write the exams independently.

However, in cases such as the non-availability of technological paraphernalia, i.e., software-enabled laptops/desktops, Braille/ large print, or recording devices for the answers, or where the candidate wishes to use a Scribe, the use of scribes provided by the Examining Bodies, who are rigorously identified and supervised, may be resorted to. Various EBs are provided a non-negotiable time limit of 2 years (effective from the date of issue of these Guidelines) for consolidating (if not already existing) a comprehensive pool of scribes. This measure will ensure uniformity and prevent exploitation of the provision. The "own scribe" provision may be allowed, as a last resort, until the "pool of scribes" is ready for applicants who do not opt for the use of technology, or until the lapse of two years, as specified above, whichever is earlier.

## **B. Provisions in r/o Scribes/ Reader/ Lab Assistant:**

This is to reiterate the overarching emphasis on encouraging candidates to write the exam independently. The scribe, if at all permitted, because of the refusal by the candidate to use technology, has to be provided by the EBs. An own scribe may be allowed if, and only if, the EB is unable to provide a scribe. EBs are, however, expected to form a comprehensive panel of scribes within a maximum of 02 years of the issue of these Guidelines.

The examining bodies (EBs) can work out the provision of providing scribes and eliminating the "candidate's Own scribe" option even before two years of this order, subject to the condition that they offer proper scribes to their candidates who opt for scribes rather than using technology. Note that this decision must be made at the relevant EB level and does not need to be referred to DEPwD.

Accordingly, the provision of scribes and their qualification is prescribed hereunder in r/o various competitive exams, with an overarching aim at augmenting the larger and lasting interests of the Persons with Disabilities, including their contribution to the nation's growth in an inclusive mode.

### **i. Qualification of the Scribe/Reader/Lab Assistant for Competitive (Professional/ Job-linked) Public Examinations:**

<b>SI No.</b>	<b>Nature of Examination</b>	<b>Qualification of Scribe</b>
1	Competitive Public Entrance Examinations for admission into Graduation/Post Graduation/higher professional/technical courses like IIT-JEE, NEET, CAT, CLAT, UGC-NET, GATE, CUET, etc, and equivalent.	<p>The candidates are encouraged to write the exam on their own using the software-enabled laptop/ desktop/ Braille/ large print or recording device for the answers. In cases where the candidate opts for a scribe rather than using technology, EBs will provide scribes rigorously identified from their pool. The EBs are granted a non-negotiable time limit of 2 years, effective from the date of issuance of these Guidelines, for consolidating (if not existing already) a comprehensive pool of scribes, compatible with Indian languages and English.</p> <p>In cases where the candidate opts for a scribe rather than the use of technology, the qualification of the scribe must be a minimum of "two academic years below" and a maximum of "three academic years below"</p>

		<p>the minimum qualification for appearing in that examination. <i>(For example, for appearing in Joint Entrance Examinations (Main), if the minimum eligibility is 12<sup>th</sup> pass or equivalent, the qualification of the scribe may be 10<sup>th</sup> standard ongoing/below, but not below 9<sup>th</sup> standard ongoing. Likewise, if the minimum qualification to appear for NET/GATE is post-graduation/equivalent, the scribe may be at most in the final year of Graduation or below (assuming PG is 02 year course), but not below the second-to-last year of graduation. The pass-out graduates may also be eligible in this case as long as they are not enrolled in or started the first year of PG.)</i></p>
2	Competitive Public Examinations for recruitment in central government establishments like UPSC-Civil Services Exam, SSC exams, NDA etc., and equivalent	<p>The candidates are encouraged to take the exam independently using a software-enabled laptop/ desktop/ Braille device/ large print device, or recording device to record their answers. In cases where the candidate opts for a scribe rather than using technology, EBs will provide scribes rigorously identified from their pool. The EBs are granted a non-negotiable time limit of 2 years, effective from the date of issuance of these Guidelines, for consolidating (if not existing already) a comprehensive pool of scribes, compatible with Indian languages and English.</p> <p>In cases where the candidate opts for a scribe rather than the use of technology, the qualification of the scribe must be a minimum of “two academic years below” and a maximum of “three academic years below” the minimum qualification for appearing in that examination.</p> <p><i>(For example, if the minimum qualification for appearing in the Staff Selection Commission Combined Graduate Level Examination is a Graduate, the scribe's qualification may be in the first academic year of graduation (for a 3 year course), but not below the 12<sup>th</sup> standard running).</i></p>

- ii. The facility of Scribe/ Reader/ Lab Assistant must be allowed to any person in the absence of availability of required technology or inability of the candidate (as elaborated in Para-5 A above) to use them.
- iii. In case of persons with disabilities in the category of blindness, locomotor disability (Both Arms **only**) and cerebral palsy, the facility of scribe/reader/ lab assistant may be given, if so desired by the person, upon production of valid disability certificate/ UDID card **without requiring of production of any medical certificate as per the proforma at APPENDIX-I.**
- iv. In the case of all other specified disabilities i.e., except blindness, locomotor disability (both arm affected-BA **only**), and cerebral palsy, the facility of scribe/reader/lab assistant must be allowed on production of a certificate to the effect that the person concerned has a functional limitation to write, caused by the specified disability and, therefore, a scribe is essential to write the examination on his/her behalf. The certificate is to be issued, **after due medical examination as per Para-3 of these Guidelines**, by the Chief Medical Officer/Civil Surgeon/ Medical Superintendent of a Government healthcare institution as per the proforma at **Appendix-I.**

*[Note: The medical authority for certification as mentioned in point(iii) above should be a multi-member authority comprising the following:-*

- (1) *Chief Medical Officer/ Civil Surgeon/ Chief District Medical Officer..... Chairperson*
  - (2) *Orthopaedic/PMR specialist..... Member*
  - (3) *Any other expert, based on the condition of the candidate, as may be nominated by the Chairperson ..... Member]*
- v. The examination body shall identify and make a panel of suitable scribes, according to the examinations.
  - vi. In limited cases, where the candidate is allowed to bring their own scribe, he/she should submit details of their own scribe as per the proforma at **Appendix-II.**
  - vii. While bringing own scribe, the details of the scribe is to be provided to the EB at the time of application. The application format has to provide for such a declaration. Else, EB has to provide a dedicated email-id or provide a dedicated link on the designated application portal to provide such information within 15 days of closure of the application subject to changes in scribe to be allowed at short notice (say, a week) in case of exigency.

- viii.** In case of an own scribe, any objections to be raised by the examination body as regards eligibility of the scribe will have to be raised 30 days before the date of the exam so that the candidate can arrange a different scribe.
- ix.** If a student/candidate brings a different scribe other than the one previously informed on the day of examination, including the short notice changes referred to above, the Examination Body will provide Scribe from its own pool subject to availability. In case the Examining Body is unable to provide a scribe, they will allow the scribe arranged by the candidate, after taking necessary declarations/documents from the student/candidate, subject to fulfilling the qualifications as mentioned in these guidelines for that particular examination.
- x.** When the Examining Bodies (EB) are arranging the scribe, it may be ensured, as far as possible, that the scribe is from the same stream/ discipline as the subject of the examination. For. e.g., while assigning a scribe to a student taking a science or technical examination, it may be ensured that the scribe is familiar with the specialised terms and symbols of mathematics, sciences and technical subjects. However, cross-stream scribes may be allowed for general subjects like Language, Humanities or Social Sciences or general open public examinations.
- xi.** Scribes must be impartial individuals with no conflict of interest that could compromise the impartiality of the examination.
- xii.** Candidates availing assistance of scribe will have to communicate with the scribe only in the language, as medium of writing the examination, as opted by them in the application (own scribe proforma/online application). Accordingly, invigilators having sufficient understanding of that language to be engaged for effective supervision during the Exam.
- xiii.** The scribe arranged (own/ provided by examining body) should not himself/herself be the candidate for the exam for which the candidate is appearing.
- xiv.** "Own Scribe" shall not act as scribe for more than one candidate in a single examination.
- xv.** In cases where EBs providing scribes, candidates will be allowed to meet the scribe for a 20-minute interaction session one hour before the start of the examination at the assigned venue.
- xvi.** In cases where candidates request a change of scribe on valid grounds, such as language barriers, they can submit a request to the examination body to change the scribe. Only one such request will be considered by the Examination Body (EB), and the acceptance of the request is subject to the

availability of another scribe on the date of examination or other related factors.

- xvii.** EB may dedicate specific venues for PwD candidates and their scribes (with an additional number of scribes available for any exigency during exam hours), where the EB can invest more in terms of CCTV, trained invigilators, etc.
- xviii.** The candidates should also be allowed to take more than one scribe/ reader to write different papers. However, there can be only one scribe per subject.
- xix.** The examination body shall not change the process of indicating scribe details or any other accessibility needs / reasonable accommodations from the date of initial advertisement till the conclusion of the exam in question.

**Office Memorandum**

**Subject: Guidelines for conducting written examination for persons with specified disabilities covered under the definition of Section 2(s) of the RPwD Act, 2016 but not covered under the definition of Section 2(r) of the said Act, i.e. persons having less than 40% disability and having difficulty in writing**

The undersigned is directed to say that this Department has issued guidelines for conducting written examination for persons with benchmark disabilities (i.e. with 40% or more disability, for whom the benefit of reservation in Government posts are allowed) on 29.08.2018 and corrigendum dated 08.02.2019 which inter-alia, provides for grant of scribe and compensatory time. Hon'ble Supreme Court in its order dated 11.02.2021 in the matter of Shri Vikash Kumar Vs UPSC and others has directed this Department to frame proper guidelines which would regulate and facilitate the grant of a facility of a scribe to persons with disability within the meaning of Section 2 (s) of the RPwD Act, 2016, where the nature of disability operates to impose a barrier to the candidate writing an examination. These guidelines should also prescribe appropriate norms to ensure that condition of the candidate is duly certified by such competent medical authority as may be prescribed so as to ensure that only genuine candidates in need of the facility are able to avail it.

2. Keeping in view the above order of the Hon'ble Supreme Court, an Expert Committee was constituted to consider the issue and suggest guidelines accordingly. The Committee noted that there are various types of clinical problems that can affect the writing capacity. After careful consideration of the matter, the Committee recommended that sole criteria for grant of scribe and compensatory time should be based on assessment of the capability of a person to write.

3. The Committee accordingly recommended the following guidelines for conducting written examination for persons with specified disabilities covered under the definition of Section 2(s) of the RPwD Act, 2016 but not covered under the definition of Section 2(r) of the said Act, i.e. persons having less than 40% disability and having difficulty in writing: -

(a) These guidelines may be called as Guidelines for conducting written examination for persons with specified disabilities covered under the definition of Section 2(s) of the RPwD Act, 2016 but not covered under the definition of Section 2(r) of the said Act, i.e. persons having less than 40% disability and having difficulty in writing.

(b) The facility of scribe and/or compensatory time shall be granted solely to those having difficulty in writing subject to production of a certificate to the effect that person concerned has limitation to write and that scribe is essential to write examination on his/her behalf from the competent medical authority of a Government healthcare institution as per proforma at **Appendix-I**.

(c) The medical authority for the purpose of certification as mentioned in point (b) above should be a multi-member authority comprising the following:-

- i. Chief Medical officer/Civil Surgeon/Chief District Medical Officer.....Chairperson
- ii. Orthopaedic/PMR specialist
- iii. Neurologist, if available\*
- iv. Clinical Psychologist/Rehabilitation Psychologist/ Psychiatrist/Special Educator
- v. Occupational therapist, if available\*
- vi. Any other expert based on the condition of the candidate as may be nominated by the Chairperson.

(\* the Chief Medical Officer/Civil Surgeon/Chief District Medical Officer may make full efforts for inclusion of neurologists, occupational therapist from the nearest District or the Medical College/Institute, if the same is not available in the District)"

(d) The candidate should have the discretion of opting for his own scribe or request the Examination Body for the same. The examination body may also identify the scribe to make panels at the District/Division/State level as per the requirements of the examination. In later instances the candidates should be allowed to meet the scribe two days before the examination so that the candidates get a chance to check and verify whether the scribe is suitable or not.

(e) In case the examination body provides the scribe, it shall be ensured that qualification of the scribe should not be more than the minimum qualification criteria of the examination. However, the qualification of the scribe should always be matriculate or above.

In case the candidate is allowed to bring his own scribe, the qualification of the scribe should be one step below the qualification of the candidate taking examination. The person opting for own scribe should submit details of the own scribe as per proforma at **Appendix-II**.

(f) There should also be flexibility in accommodating any change in scribe in case of emergency. The candidates should also be allowed to take different scribe for writing different papers especially for languages. However, there can be only one scribe per subject.

(g) The candidate should be allowed to use aids and assistive devices such as prosthetics & orthotics, hearing aid as mentioned in para 2 of the certificate issued by medical authority as per Appendix I.

(h) Compensatory time not less than 20 minutes per hour of the examination should be allowed for persons who are eligible for getting scribe. In case the duration of the

examination is less than an hour, then the duration of the compensatory time should be allowed on pro-rata basis. Compensatory time should not be less than 5 minutes and should be in the multiple of 5.

(i) The examination bodies shall modify their application forms to incorporate specific needs of this category of persons. In case, any incident has been reported after filling up the form, the examination bodies shall inform the candidates to obtain medical certificate as per these guidelines for facilitating grant of scribe and/or compensatory time.

(j) As far as possible the examination for such persons may be held at ground floor. The examination centres should be accessible for persons with disabilities.

(k) These guidelines are applicable to written examinations conducted by central recruitment agencies as well as academic institutions. The States/UTs may adopt these guidelines or issue similar guidelines to maintain uniformity.

(l) These guidelines are independent of the Guidelines for conducting written examination for persons with benchmark disabilities issued by the Department of Empowerment of Persons with Disabilities on 29.08.2018.

(m) The examining bodies shall ensure strict vigilance to check misuse of facility of scribe.

4. All the recruitment agencies, Academics/Examination Bodies etc. under the administrative control of each Ministry/Department may be advised appropriately to ensure compliance of implementing these guidelines.

5. The above guidelines are issued with the approval of Hon'ble Minister (Social Justice & Empowerment).

**Office Memorandum**

**Subject:** Guidelines for conducting written examination for Persons with Benchmark Disabilities

The undersigned is directed to say that this Department had issued the guidelines for conducting written examination for persons with disabilities defined in terms of erstwhile Persons with Disabilities (Equal Opportunities, Protection for Rights and Full Participation) Act, 1995 vide OM No. 16-110/2003-DD.III dated 26/02/2013. The Department had constituted a Committee under the Chairmanship of Secretary, DEPwD in March, 2015 to review the said guidelines based on the issues raised by Union Public Service Commission and others. Meanwhile the Central Government enacted the Rights of Persons with Disabilities Act, 2016 (RPwD Act, 2016 ) which came into force from 19.04.2017. The Act provides for reservation in Government jobs for persons with benchmark disabilities as defined under section 2 (r) of the said Act.

Based on the findings of the Committee, the Central Government hereby lays down the revised guidelines for conducting written examination for persons with benchmark disabilities in supersession of the earlier guidelines issued vide OM No. 16-110/2003-DD.III dated 26/02/2013 as under:

- I. These guidelines may be called as "Guidelines for conducting written examination for persons with benchmark disabilities 2018".
- II. There should be a uniform and comprehensive policy across the country for persons with benchmark disabilities for written examination taking into account improvement in technology and new avenues opened to the persons with benchmark disabilities providing a level playing field. Policy should also have flexibility to accommodate the specific needs on case-to-case basis.
- III. There is no need for fixing separate criteria for regular and competitive examinations.

IV. The facility of Scribe/Reader/Lab Assistant should be allowed to any person with benchmark disability as defined under section 2(r) of the RPwD Act, 2016 and has limitation in writing including that of speed if so desired by him/her.

In case of persons with benchmark disabilities in the category of blindness, locomotor disability (both arm affected-BA) and cerebral palsy, the facility of scribe/reader/lab assistant shall be given, if so desired by the person.

In case of other category of persons with benchmark disabilities, the provision of scribe/reader/lab assistant can be allowed on production of a certificate to the effect that the person concerned has physical limitation to write, and scribe is essential to write examination on his behalf, from the Chief Medical Officer/Civil Surgeon/Medical Superintendent of a Government health care institution as per proforma at **APPENDIX-I**.

V. The candidate should have the discretion of opting for his own scribe/reader/lab assistant or request the Examination Body for the same. The examining body may also identify the scribe/ reader/lab assistant to make panels at the District/Division/ State level as per the requirements of the examination. In such instances the candidates should be allowed to meet the scribe **two days** before the examination so that the candidates get a chance to check and verify whether the scribe is suitable or not.

VI. In case the examining body provides the scribe/reader/lab assistant, it shall be ensured that qualification of the scribe should not be more than the minimum qualification criteria of the examination. However, the qualification of the scribe/reader should always be matriculate or above.

In case the candidate is allowed to bring his own scribe, the qualification of the scribe should be one step below the qualification of the candidate taking examination. The persons with benchmark disabilities opting for own scribe/reader should submit details of the own scribe as per proforma at **APPENDIX-II**

VII. There should also be flexibility in accommodating any change in scribe/reader/lab assistant in case of emergency. The candidates should also be allowed to take more than one scribe/reader for writing different papers especially for languages. However, there can be only one scribe per subject.

VIII. Persons with benchmark disabilities should be given, as far as possible, the option of choosing the mode for taking the examinations i.e. in Braille or in the computer or in large print or even by recording the answers as the examining bodies

can easily make use of technology to convert question paper in large prints, e-text, or Braille and can also convert Braille text in English or regional languages.

IX. In case, the persons with benchmark disabilities are allowed to take examination on computer system, they should be allowed to check the computer system one day in advance so that the problems, if any in the software/system could be rectified. Use of own computer/laptop should not be allowed for taking examination. However, enabling accessories for the computer based examinations such as keyboard, customized mouse etc should be allowed.

X. The procedure of availing the facility of scribe should be simplified and the necessary details should be recorded at the time of filling up of the forms. Thereafter, the examining body should ensure availability of question papers in the format opted by the candidate as well as suitable seating arrangement for giving examination.

XI. The disability certificate issued by the competent medical authority at any place should be accepted across the country.

XII. The word "extra time or additional time" that is being currently used should be changed to "compensatory time" and the same should not be less than 20 minutes per hour of examination for persons who are allowed use of scribe/reader/lab assistant. All the candidates with benchmark disability not availing the facility of scribe may be allowed additional time of minimum of one hour for examination of 3 hours duration. In case the duration of the examination is less than an hour, then the duration of additional time should be allowed on pro-rata basis. Additional time should not be less than 5 minutes and should be in the multiple of 5.

XIII. The candidates should be allowed to use assistive devices like talking calculator (in cases where calculators are allowed for giving exams), tailor frame, Braille slate, abacus, geometry kit, Braille measuring tape and augmentative communication devices like communication chart and electronic devices.

XIV. Proper seating arrangement (preferably on the ground floor) should be made prior to the commencement of examination to avoid confusion or distraction during the day of the exam. The time of giving the question papers should be marked accurately and timely supply of supplementary papers should be ensured.

XV. As far as possible, the examining body should also provide reading material in Braille or E-Text or on computers having suitable screen reading software for open book examination. Similarly online examination should be in accessible format i.e. websites, question papers and all other study material should be accessible as per the international standards laid down in this regard.

XVI. Alternative objective questions in lieu of descriptive questions should be provided for Hearing-Impaired persons, in addition to the existing policy of giving alternative questions in lieu of questions requiring visual inputs, for persons with Visual Impairment.

XVII. As far as possible the examination for persons with disabilities should be held at the ground floor. The examination centres should be accessible for persons with disabilities.

2. It is requested to ensure that the above guidelines are scrupulously followed while conducting examination for persons with benchmark disabilities. All the recruitment agencies, Academics/Examination Bodies etc. under the administrative control of each Ministry/Deapartment may be advised appropriately to ensure compliance of implementing these guidelines. Action taken in this regard may be intimated to this office.

3. The above guidelines are issued with the approval of Hon`ble Minister (Social Justice & Empowerment).

Yours faithfully,
